### Minutes of Monthly Meeting May 6, 2021

- I. The meeting was called to order at 7:00 pm by President Jim Kelso at the Jim Kelso's shop. Fourteen members and guests were present.
- II. Approval of minutes. Dennis summarized the minutes from the April 1, 2021 club meeting.
- III. Treasurer's report: There is a balance of \$4,669.32 in our checking account.
- IV. Wild West Video: Barbara Mower showed her video titled "Rock Man" depicting various rockets blasting off at our club field. There was even a T-34 race at the end. Thanks for the entertainment Barbara.
- V. Field report: Tom Walters reported that its time to fill cracks in the runway again. Dennis will contact the Douglas County Parks and Recreation Department to see if the County will make any improvements at our field this summer.
- VI. Old Business: Dennis reported the Alpine County Death Ride is scheduled for Saturday, July 17<sup>th</sup>. We still need volunteers to operate the Topaz Lake Rest Stop. The fun begins at 5:00 am and ends mid-morning. If you are interested contact Dennis at [dnlampson@gmail.com](mailto:dnlampson@gmail.com).
- VII. If you have not paid your club dues for 2021, you are in luck: we haven't raised the rate. Club membership is still \$45.00 payable to Sierra Sagebrush Flyers. You can mail your check to our treasurer, Wilbur Mower, at 1440 Canyon Hollow Ct., Carson City NV 89701
- VIII. New Business: A big thank you to Bob Jones for printing our May newsletter. Bob kept us all laughing with those crazy photos and captions.
- IX. The Golden Cow Pie Award: The Golden Cow Pie Award got triple recipients for May. Pete managed to crash his beautiful foam jet into one of the transfer station dumpsters; Dick destroyed a P51 Mustang when his thumbs stopped working; and Virgil crashed one of Mark Anderson's home built foam airplanes. Those things just should not happen!
- X. Show and Tell: Jim Kelso showed his F18 turbine jet he purchased from Ray Brindos. The jet will be repainted to match the actual jet, Jim flew before he retired. Jim also showed his P51 Mustang, H model, with a 85 cc gas motor. We all want to see the maiden flight of this beautiful warbird.

The meeting adjourned at 8:05 am. The next meeting will be held at 7:00 pm, on Thursday, June 3, at Jim Kelso's shop. Submitted by Dennis Lampson

## At the field... Saturday May 15<sup>th</sup>...

"It's true those gas engines sound great! But when do you think they'll get it started?"..... "No matter... It is time for lunch soon."

Many thanks to Barb Mower for providing the pics. BJ
